The background of the entire image is a waving American flag with its characteristic stars and stripes. A light blue rectangular box is centered over the flag, containing the text.

Lowell Grade 4
US Regions
EXTRAVAGANZA
2018

What is this Regions Extravaganza?

A vertical portion of the United States flag is visible on the left side of the slide, showing the blue field with white stars and the red and white stripes.

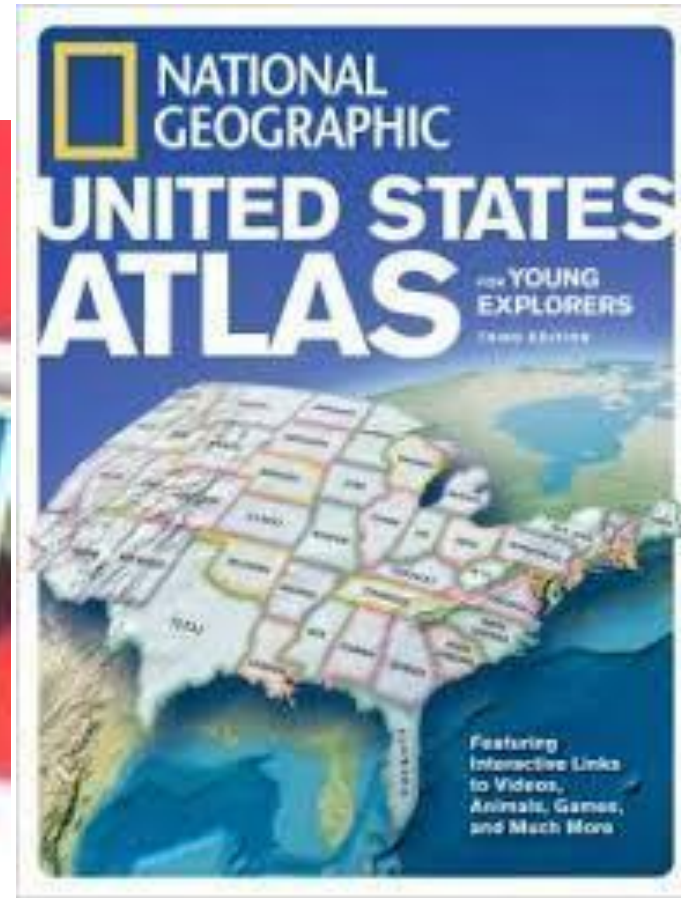

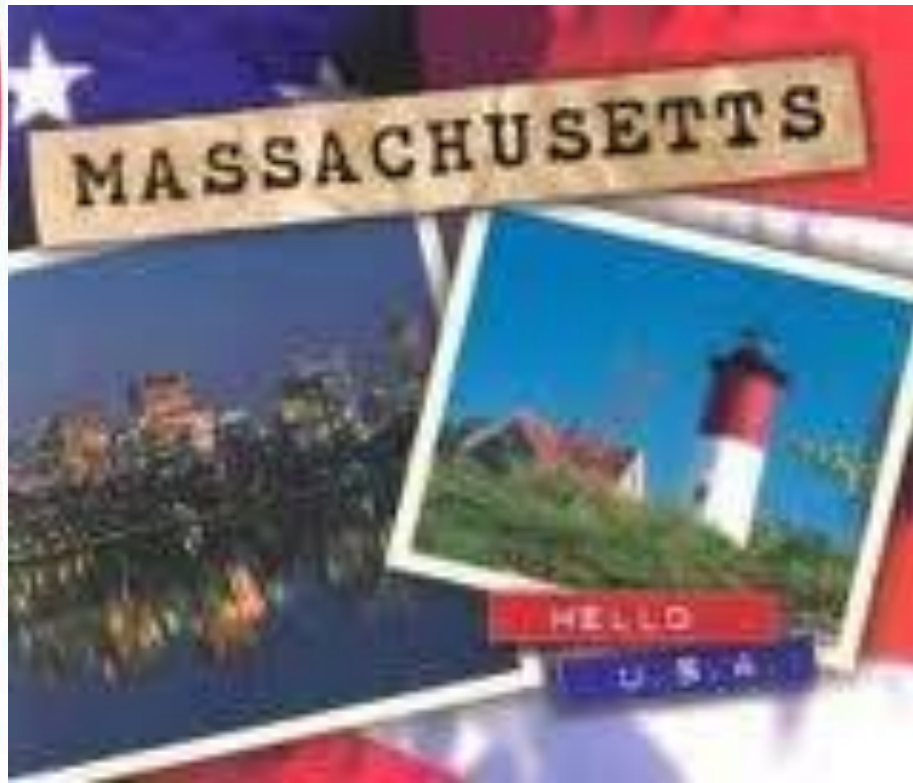

But What is this Regions Extravaganza?

- Student will research one of the 50 states in the United States of America.

Conducting research

You will find the answers to the questions using:

- Atlases
- State books from the Lowell Library

A vertical portion of the United States flag is visible on the left side of the slide, showing the blue field with white stars and the red and white stripes.

But What is this Regions Extravaganza?

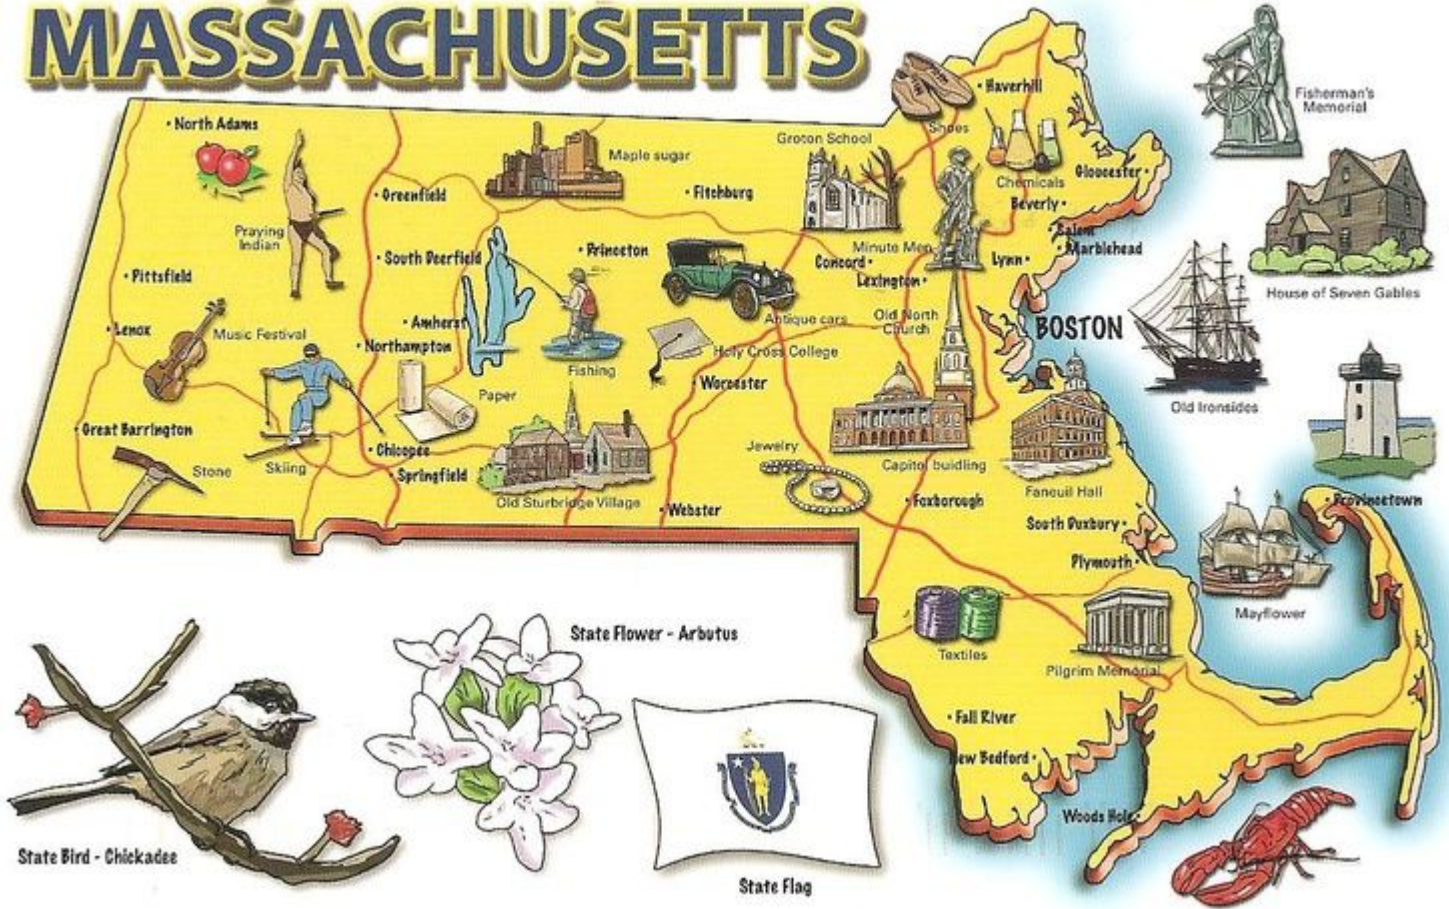

Using this research, each student will complete, work together, and present two fun projects...

Interactive Poster

Puzzle Map

Greetings from MASSACHUSETTS

A vertical portion of the American flag is visible on the left side of the slide, showing the blue field with white stars and the red and white stripes.

Presentations

- Once posters and state puzzle pieces are completed, parents will be invited to view presentations and watch the US Map Puzzle be completed as a whole 4th grade!

Puzzle Map

A vertical portion of the United States flag is visible on the left side of the slide, showing the blue field with white stars and the red and white stripes.

Review

- You will work on your project once your research is completed.
- Each student will create:
 - Interactive Poster
 - A state map to fit into the “puzzle map”

A vertical strip of the American flag is visible on the left side of the slide, showing the stars and stripes.

Steps

- Review Research Document
- Find out which state you have been assigned
- Conduct your research
- Draft, revise, and edit your notes
- Create a map of your state (more info to come)
- Create poster

A vertical portion of the United States flag is visible on the left side of the slide, showing the blue field with white stars and the red and white stripes.

Frequently Asked Questions/Comments

Can I pick my state?

- No. You will be assigned a state. Don't worry, all states are interesting!

A vertical portion of the United States flag is visible on the left side of the slide, showing the blue field with white stars and the red and white stripes.

Frequently Asked Questions/Comments

Can I switch states with a friend?

- Again, no. You must research the state you have been assigned.

A vertical portion of the United States flag is visible on the left side of the slide, showing the blue field with white stars and the red and white stripes.

Frequently Asked Questions/Comments

There are more
students than states
SO...

-Some students will be in pairs or
groups.

A vertical portion of the United States flag is visible on the left side of the slide, showing the blue field with white stars and the red and white stripes.

Frequently Asked Questions, Continued

Can I use Google for my research?

- 1st, Google is not a research source, but a search engine.

A vertical American flag is positioned on the left side of the slide, showing the stars and stripes. The top part of the flag is blue with white stars, and the bottom part is red and white stripes.

Frequently Asked Questions, Continued

Can I use Google for my research?

- There is no need to use resources beyond the ones we will provide you in class. You can, however, work on your research document on your Google Drive at home if you are really excited (I'm sure some of you will be)!
- :)

The background of the image is a waving American flag with its characteristic stars and stripes. The stars are white on a blue field, and the stripes are red and white.
